- **Dr. Cindy Tuten will unpack a portion of the mystery of your body's wonders, including some of its miseries, right before your very eyes**
- **Learn about our services**
- **Discover the opportunities for health enhancement**
- **Come to understand your God-given sovereignty**

Taking a microscopic peek or in-depth look at a drop of blood can reveal processes that are moving along like clockwork or falling apart!

Watching the complexity of a single drop from a finger-prick sample of blood under high-power darkfield microscopy can add a new dimension to understanding your health inventory. Come let us peer into this incredibly beautiful universe of life and the biology it supports.
